ヒーローズ・カムバックについて

細野不二彦

昨年3月11日、その時私は電車に乗っていました。線路上で動かなくなった電車内に1時間ほどとまり、2時間かけて徒歩で自宅まで帰りました。その間、東北三県があのような未曾有の災禍に見舞われていたのでした。

あれが関東であったら自分はどうなっていただろう…と思いました。

日本は地震国です。その国に住む自分たちは、いま被災者でなくとも100%、東京の被災者です。被災地のために、いま何かすることは、未来の自分たちに手をさしのべることだと思います。漫画家である私は、漫画ならではの支援方法があるはずだと考えてきました。このチャリティーコミックがその回答です。

この企画に賛同して下さった各先生が、最強のヒーローたちを召喚してくれました。

来年早々に発売予定のこの本が一人でも多くの読者の手に届くことを願ってやみません。

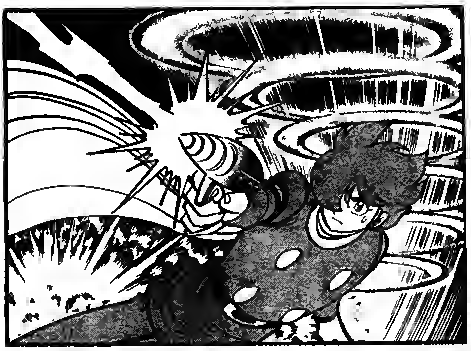
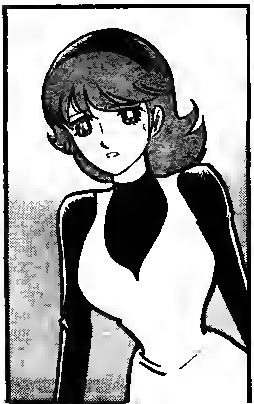
Joe!
Joe!





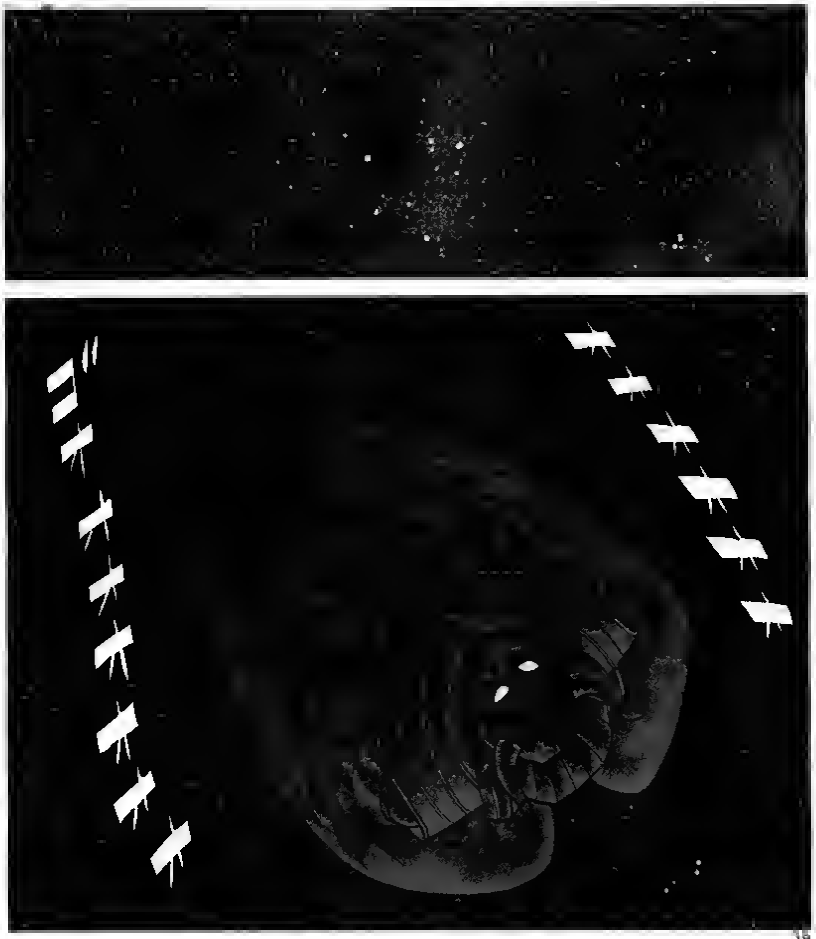
Wha
!?

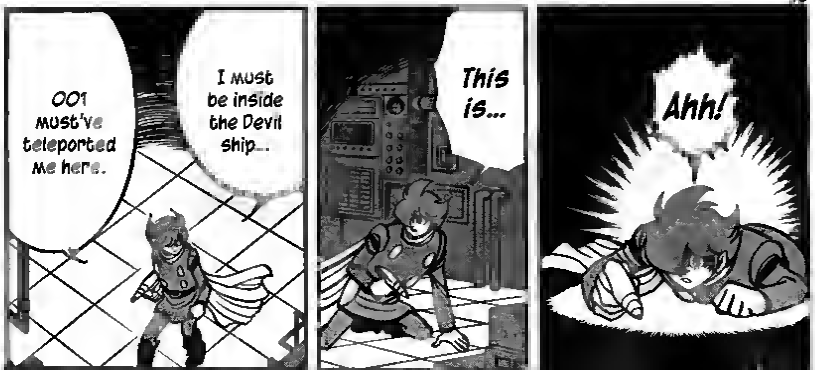
JOEEE!

Sorry for making you worry, Françoise.
When did I fall asleep...?
You were tossing and turning pretty bad.
Are you alright, Joe?
And there was this angel..
I walked into the middle of a battle-field...
.....
What kind of dream were you having?
15
That calls forth bloodlust and thirst for conflict,
That uncontrol-lable part of humans,
Across time and place...
The enemy,
We're fighting now...
Angel...

It's not a dream.
To plunge them into the abyss of war and chaos-
Provoking that dark nature of humans,
You're awake?
OOI!
Let's stop talking about the dream,
Joe.
You really did go to the places you saw in your dream...
Although your body was here all along,
Your mind was called out from your physical body just now...
16
I'm gonna get some fresh air.
Joe?
Wha...

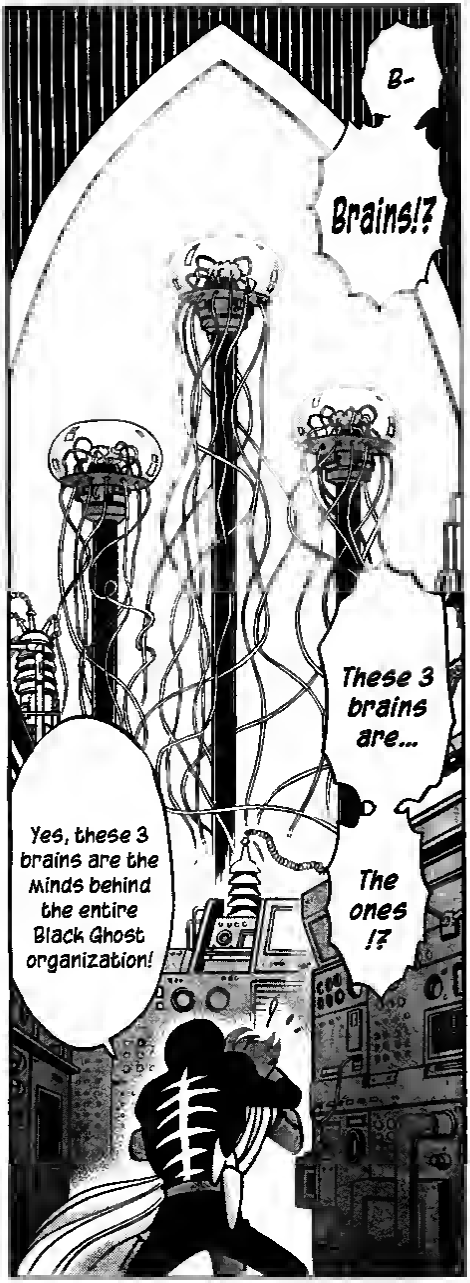
The devil's heart,
Which lurks in the bottom of every human heart..
Long ago,
I fought against them...
The Black Ghost...
Using advanced technology, they set up weapons and ammunitions factories,
To enlarge the scale of war,
Even going so far as to include the very outer space...
And,
It was there in space that...



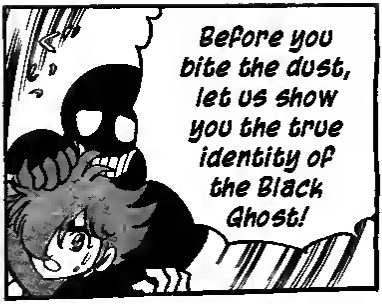


001 must've teleported me here.
I must be inside the Devil ship...
This is...
Ahh!

And die along with the ship...?
Is he telling me to destroy this,
Ahh!
Then I could not wish for any more.
If it means I can bring down the Black Ghost once and for all with me,
Nghh!
19
Wel-come, 009!

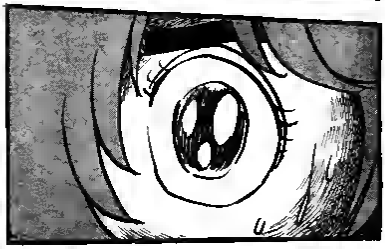


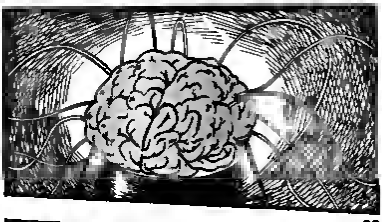
B-
Brains!?
These 3 brains are...
The ones !?
Yes, these 3 brains are the minds behind the entire Black Ghost organization!

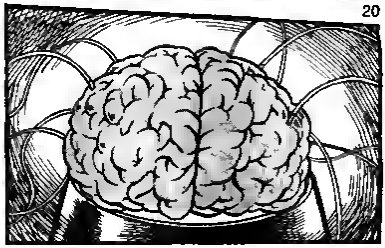


Before you bite the dust, let us show you the true identity of the Black Ghost!

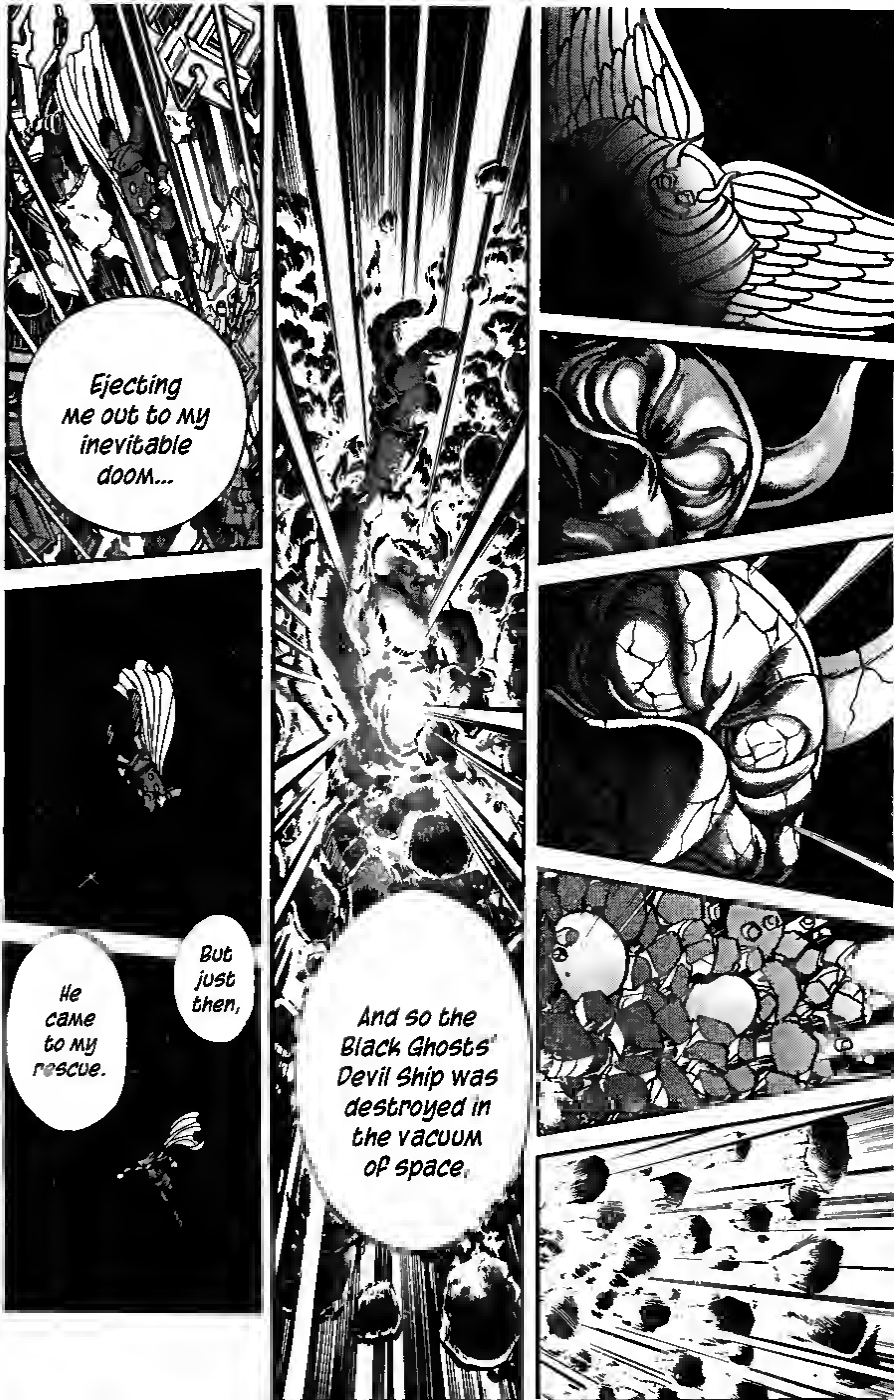
Ahh...
Haha, take a look!







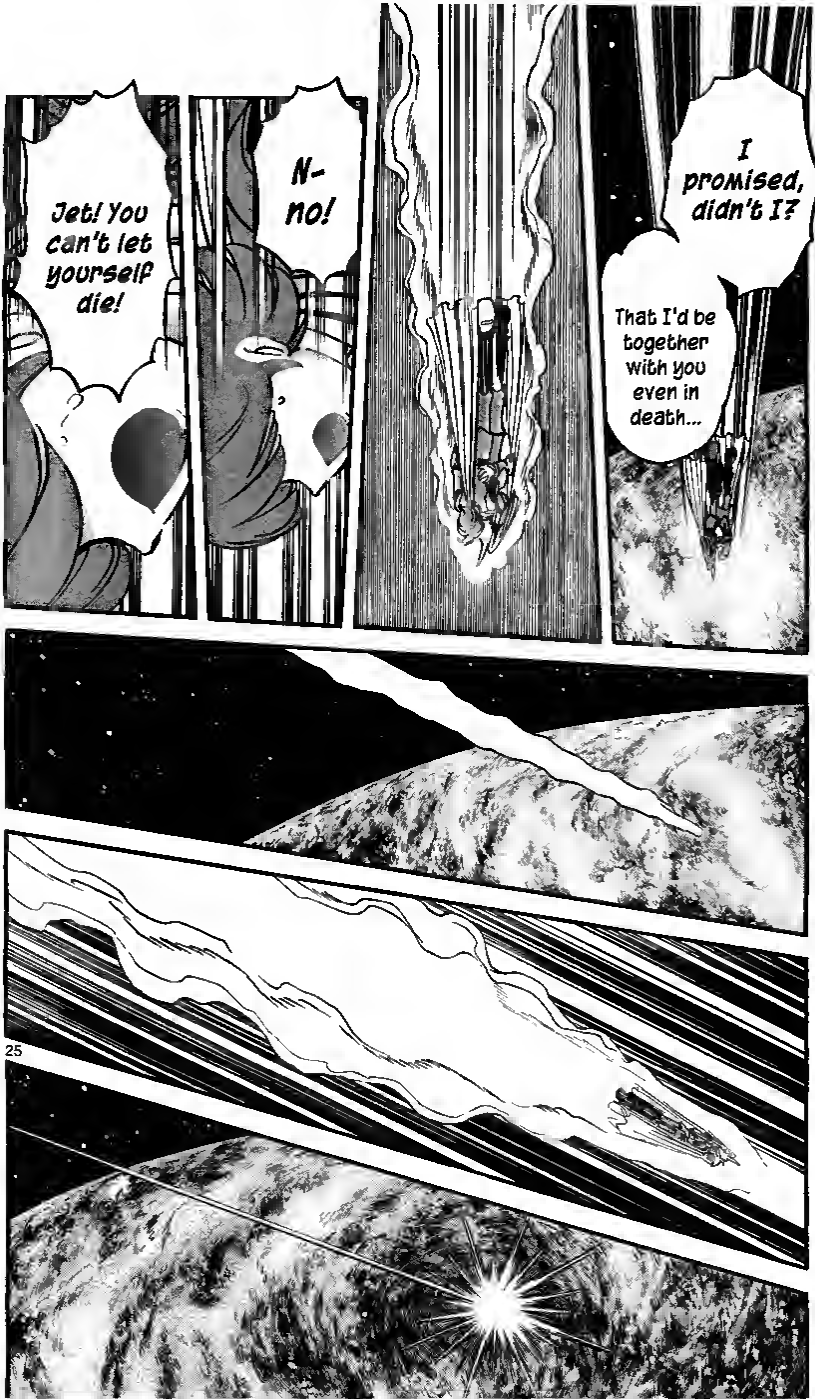
BUT THE PART OF HUMANS, THE NATURE OF THEIR HEARTS THAT COMMITS EVIL...
THAT IS OUR STRENGTH,
AND GIVES RISE TO OUR SELVES!
FOR YOU SEE... WE ARE NOTHING BUT A MINOR GROUPING OF CELLS...
WE ARE THE ONES RESPONSIBLE FOR ALL EVIL ON EARTH...
HAHAHA, THAT IS HOW IT IS, 009...
QUIET, HAEME...
YOU WILL NEVER BE ABLE TO DEFEAT US...
ALLOW US TO SHOW YOU... WHY NO MATTER HOW HARD YOU FIGHT...
22
21
UTTERLY FUTILE, 009!
HOW FUTILE!
IT'S FUTILE...



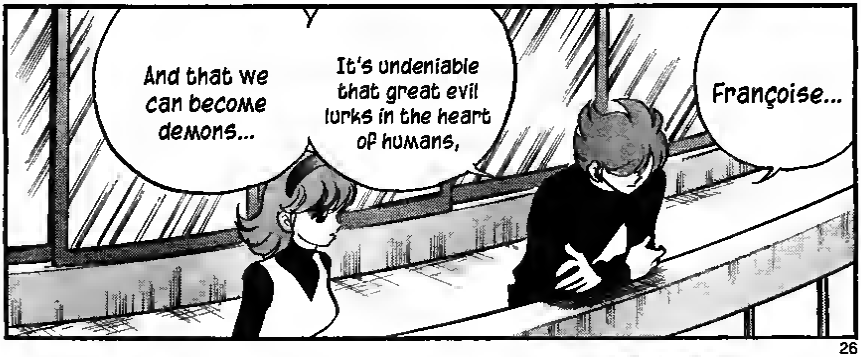
Ejecting me out to my inevitable doom...
But just then,
He came to my rescue.
And so the Black Ghosts' Devil Ship was destroyed in the vacuum of space.

Look, 009!
The Black Ghost have finally been destroyed!
002!

Let me go! Let go of me this instant!
It's still possible for you alone to escape!
I'm sorry, 009. I know I came here to save you, but...
002!
I'm almost out of rocket fuel,
And soon we'll be sucked in by Earth's gravity to our deaths.
But it appears this is the end for us as well...
Wha!?

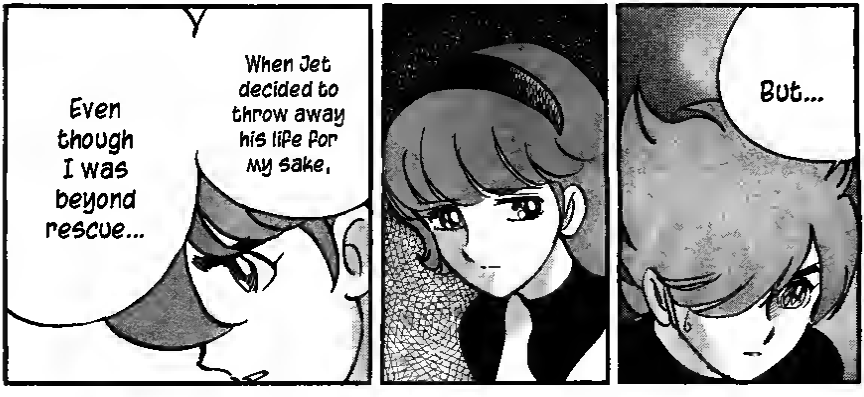


Jet! You can't let yourself die!
N-no!
I promised, didn't I?
That I'd be together with you even in death...

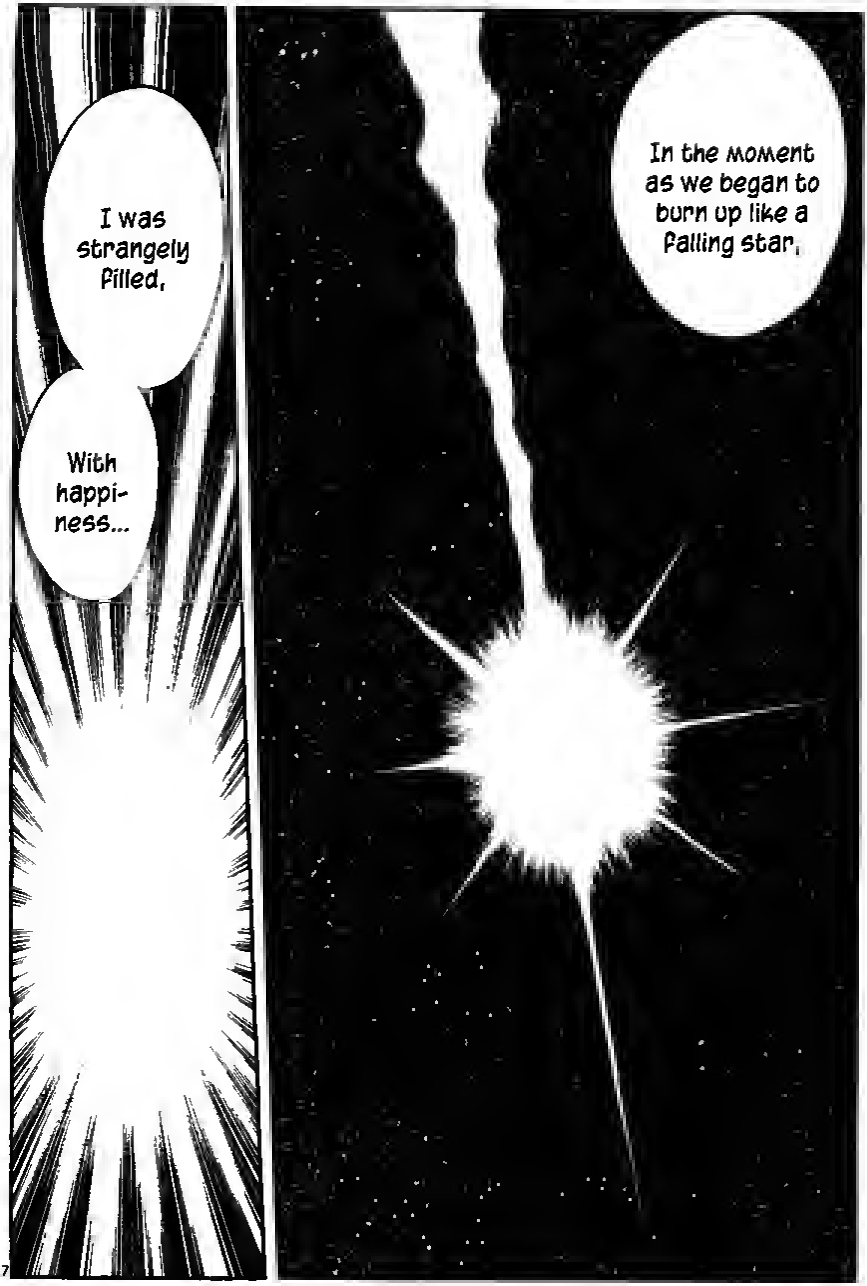


And that we can become demons...
It's undeniable that great evil lurks in the heart of humans,
Françoise...

26



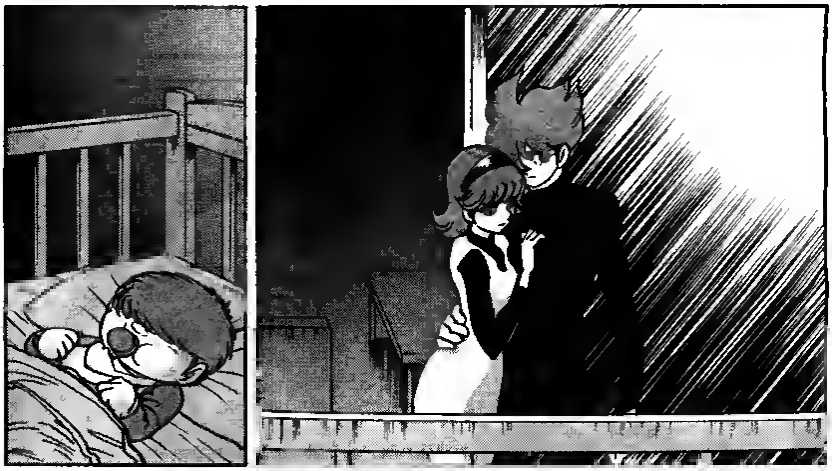
Even though I was beyond rescue...
When Jet decided to throw away his life for my sake,
But...



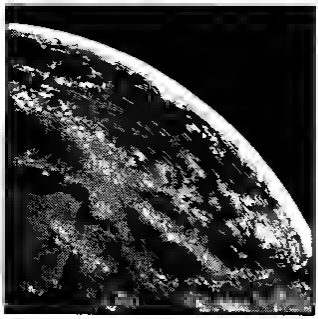
I was strangely filled,
With happi-ness...
In the moment as we began to burn up like a falling star,

They can also become gods as well...
Though humans can become devils,
.....
Aren't you an interesting human...
Ha...
Ahh!

May we meet again,
009...
Shimamura Joe...



32



TO CLING ONTO THAT HOPE ...

YES, 009...
